### Welcome

... to our December newsletter.

The end of the year is upon us, the club year has finished and it is time for friends and family. Time for photos as memories, not points. I do hope though the skills you've learned completing our monthly challenges will see you notice an improvement in all your images whether simple record shots, family portraits or a personal project you decide to work on.

Relax, enjoy and we'll see you all in February. Merry Christmas everyone.

*Carl*

### From The President's Desk

Merry Christmas everyone

Christmas is only a few days away, so I hope all your planning is well underway. And for those of you who are having holidays, I hope they are wonderful and you come back refreshed for the new year.

Your committee have been very busy, and have almost sorted next year's agenda.

The Christmas meeting was a great success, thank you Tina and Tom for hosting this, and especially to the Christmas fairy. Congratulations to the winners of the trophies.

See you all on February 14th 2012

Ps: Get your cameras out and start shooting.

*Keith.*

## 2011 Critiques

Kay Goosen-Cooper of Hamilton kindly critiqued our Open images from the November meeting. Again we had a large amount of entries and we thank Kay for the time and effort put in to critique our images. As usual the critiques are in a separate document. Please see the file Critiques\_2011-11.pdf
